

**CAROLYN O'DANIEL, EDD, RRT**

## **PROFESSIONAL EXPERIENCE**

### **KENTUCKY COMMUNITY AND TECHNICAL COLLEGE SYSTEM**

NOVEMBER, 2005 TO PRESENT

JEFFERSON COMMUNITY AND TECHNICAL COLLEGE

LOUISVILLE, KENTUCKY

*The **Dean of Allied Health and Nursing** assists the Provost and President in the administration of eighteen academic programs in the Allied Health and Nursing Divisions, and provides supervision, guidance, and assistance to the faculty and staff. Working closely with the Division Chair for Allied Health, the Division Chair for Nursing, as well as the Academic Program Coordinators, the Dean provides administrative assistance in the operations and financial matters of the Division of Allied Health and the Division of Nursing. The Dean also provides assistance in obtaining and renewing all Memorandums of Agreement and reviewing criminal background checks.*

LEXINGTON, KENTUCKY

NOVEMBER, 1999 TO NOVEMBER, 2005

*The **System Director for Academic Affairs** for the KCTCS has primary responsibility for oversight of the curriculum development process, program planning, and other matters related to academic affairs for the system. The Division of Academic Affairs at the System Office provides leadership and support for the chief academic officers in sixteen district and supervision of staff members. The Director also oversees the division budget and four grant fund accounts and serves as a member of the Chancellor's Leadership Team. Responsibilities also include representing KCTCS with internal and external constituents and serving on cross-functional teams. From July 2004 until May 2005 I served as interim **Chief Administrative Officer** for Central Kentucky Technical College as we consolidated with Lexington Community College to become the new Bluegrass Community and Technical College.*

### **UK AND SUBSEQUENTLY KCTCS COMMUNITY COLLEGE SYSTEM**

MAY, 1997 TO 1999

LEXINGTON, KENTUCKY

*As the **Coordinator of Program Planning and Development** for the Community College System, I provided leadership and support for faculty and staff groups working on multiple projects. During the transition to Kentucky Community and Technical College System management, I've regularly met the challenge of identifying and promoting opportunities for collaboration among institutions.*

*Responsibilities also included oversight and revision of the program review process, serving as Secretary of the Faculty Senate and Council, maintaining the community college course and program inventories, facilitating work of committees and task forces such as the AH/Nursing Faculty Conference Planning Committee, curriculum committees, and the Academic Workgroup of the KCTCS Task Force on Academic and Workforce Collaboration, interacting with business and industry representatives to identify ways of better meeting their needs, and assisting institutions with the program development process (program advisory statements, compelling need letters, new program proposals). Regular communication with fourteen academic deans, representatives of the Council on Postsecondary Education, and numerous other internal and external agents was an important aspect of my role as Coordinator of Program Planning and Development.*

**JEFFERSON COMMUNITY COLLEGE**

*JULY 1980 TO MAY 1997*

LOUISVILLE, KENTUCKY

*Associate/Full **Professor and Academic Program Coordinator**. As Coordinator of the Respiratory Care Program I was responsible for overall program quality, maintaining accreditation requirements; administering program budget; interviewing, hiring and supervising part-time faculty; coordinating advisory committee activity; and collaborating with others in the division, the college and the system. As a faculty member, I had responsibility for clinical, laboratory and classroom teaching, student advising, community service, institutional service, and professional development. From 1987-1989 I also served a term as Division Chairperson for the Allied Health Division.*

**LEXINGTON TECHNICAL INSTITUTE**

*AUGUST, 1976 TO MAY, 1980*

LEXINGTON, KENTUCKY

*Instructor/Assistant Professor and **Respiratory Care Clinical Coordinator**. As Clinical Coordinator my responsibilities included coordinating student clinical practice with the program's clinical affiliates. As a faculty member I taught in the classroom and in the clinical setting, advised students, and participated in institutional service and professional development.*

**SOMERSET HOSP/LAKE CUMBERLAND MED CENTER**

*MAY, 1975 TO AUGUST, 1976*

SOMERSET, KENTUCKY

*As **Director of the Respiratory Therapy Department**, I managed the department and expanded coverage from sixteen to twenty-four hours a day, and expanded services to include pulmonary function testing, arterial blood gas analysis, electrocardiography and electroencephalography. I managed the department before, during and after the transition and physical move from a community hospital to a Humana hospital*

**JEWISH HOSPITAL**

*MAY, 1973 TO AUGUST, 1974*

LOUISVILLE, KENTUCKY

*After six months as a staff technician, I was promoted to the day shift supervisor position and six months later was asked to become acting director of the department. After six months in that position, I returned to school in order to become registry eligible.*

**UNIVERSITY OF KENTUCKY MEDICAL CENTER**

*APRIL, 1969 TO MAY, 1973*

LEXINGTON, KENTUCKY

*Staff technician - included neonatal, pediatric and adult respiratory care at all acuity levels.*
